

UARTCore::reset

```
graph LR; A[UARTCore::reset] --> B[HardwareResource::reset]; B --> C[HardwareResource::getType];
```

The diagram is a horizontal flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text 'UARTCore::reset'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'HardwareResource::reset'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'HardwareResource::getType'.
