

MainModuleV1\_0::enableOutputs

```
graph LR; A[MainModuleV1_0::enableOutputs] --> B[OutputProvider::enableOutputs]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'MainModuleV1\_0::enableOutputs'. The right box is white with a thin black border and contains the text 'OutputProvider::enableOutputs'. The blue arrow points from the right side of the left box to the left side of the right box, indicating a directional flow or call.

OutputProvider::enableOutputs
