

ESP32_UART::send

```
graph LR; A[ESP32_UART::send] --> B[UARTCore::send]
```

The diagram illustrates a function call sequence. On the left, a white rectangular box with a dark border contains the text 'ESP32_UART::send'. A blue arrow points from the right side of this box to the right side of a gray rectangular box with a dark border on the right, which contains the text 'UARTCore::send'.

UARTCore::send
