

ESP32_UART::read

```
graph LR; A[ESP32_UART::read] --> B[ESP32_UART::available];
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'ESP32_UART::read'. The right box is gray with a black border and contains the text 'ESP32_UART::available'. The arrow points from the right side of the first box to the left side of the second box.

ESP32_UART::available
