

CANTramCore::attachModule

```
graph LR; A[CANTramCore::attachModule] --> B[CANTramCore::attachModule]; B --> C[CANTramModule::getSlot];
```

The diagram illustrates a sequence of three function calls. The first two calls are 'CANTramCore::attachModule', and the third is 'CANTramModule::getSlot'. The first two calls are represented by white boxes with black borders, while the third call is represented by a gray box with a black border. Blue arrows indicate the flow from the first box to the second, and from the second box to the third.
